MOTION FOR ENLARGEMENT OF TIME TO
SUBMIT RESPONSIVE PLEADINGS

The Plaintiff, Anthony Allen, proceeding pro se, and pursuant to Rule 6(b) of the Federal Rules of Civil Procedure, respectfully moves the court to extend the August 1, 2005 filing deadline by sixty (60) days to include September 22, 2005, within which plaintiff may respond to the defendant's motion and comply with the court's Order.

Because plaintiff has never received any formal training in the science of law and slightly understands complex nature surrounding the preparation of pleadings, this extension is needed in order to allow plaintiff enough time to properly prepare an adequate response to defendant's motion for summary judgment.

Moreover, additional time is required to allow plaintiff the opportunity to also gather important documents that may aid in rebutting the defendant's motion. No previous extensions have been requested.

Because plaintiff is currently incarcerated and is proceeding pro se, he has not contacted the defendant regarding this motion.

WHEREFORE, plaintiff respectfully request that the court grant this motion for a sixty (60) enlargement of time to include September 22, 2005 within which plaintiff may respond to the defendant's motion.

Dated: July 22, 2005

Respectfully submitted
